

FLAG DAY CELEBRATION

And

Disposal of worn, tattered flags

Saturday, June 13, 2009

10:00 to 4:00

To celebrate the 232nd birthday of our U.S. Flag, we will feature an exhibit of over 30 historic flags and their part in its evolution. Printed descriptions will guide you on this historic tour. In addition, an exhibit of patriotic memorabilia will be shown, plus a patriotically decorated Christmas tree.

AND, we want you to come to see and learn the story of Uncle Sam (a real person with New Hampshire ties), and view over 30 Uncle Sam collectables also on display.

In addition, there will be a ceremony to dispose of old flags by burning (the prescribed method) by Scout Troop 58 from noon to 4:00. New flags will be available for order, with part of the proceeds donated to Campton Historical Society. There will be a 10% discount on a new flag when you turn in your old one. Come on over to replace or add a flag to your home.

Refreshments will be available. The recently upgraded historical society exhibits will be on display, with guided tours from our docents.

The Society is located on N.H. Route 175 south from Campton, and north from Exit 27. All displays are handicap accessible.
